

# New clinic opening

The J.D. McCarty Center for children with developmental disabilities in Norman is excited to announce a new outpatient neurology clinic. The clinic will be led by Cindy Carter-Kappus, an Advanced Practice Registered Nurse with extensive experience in pediatric neurology, and Dr. Marc Hille, a pediatric neurologist.

The clinic will open later this summer and will be accepting referrals.

## NEUROLOGY CLINIC SERVICES

Our services include the diagnosis, treatment and management of the following conditions:

- Autism and behavior management
- Developmental disorders, including delayed speech, delayed motor milestones and coordination issues
- Cerebral palsy
- Intellectual disability
- Congenital anomalies
- Traumatic Brain Injury
- Seizures and epilepsy
- Concussion
- Tourette syndrome
- Migraines and headaches

The clinic also will offer referrals for therapy services, orthotics and psychology services.

## CINDY CARTER-KAPPUS, APRN

Cindy Carter-Kappus brings to the McCarty Center a commitment and passion for working with children with special needs and their families.
